🔗 Keivan-Mirzaei

Education

- In Progress **Ph.D. Candidate in Mathematical Finance**, *The University of Calgary*, Alberta, Canada, GPA: 4.0/4.0
- 2021 **M.Sc. in Pure Mathematics**, *Sharif University of Technology*, Tehran, Iran, GPA: 4.0/4.0
- **M.Sc. Thesis:** "*Stein's Method, Malliavin Calculus, Relations and Applications*," under supervision of **Prof. Bijan Zohuri-Zangeneh**; Judged with excellent evaluation
- 2018 **B.Sc. in Pure Mathematics**, *Ferdowsi University of Mashhad*, Mashhad, Iran, GPA: 3.2/4.0

Honors & Awards

- 2024 **M2PI Student Stipend Award**, *Math to Power Industry*, Calgary, Canada
- 2024 **Teaching Excellence Award**, *University of Calgary*, Calgary, Canada
- 2021 **One of the top three students of the faculty based on GPA, 4.0/4.0**, *Sharif University of Technology*
- 2018 **First Place and Gold Medal**, *23rd National Scientific Olympiad for University Students in Mathematics*, Tehran, Iran
- 2017 **Second Prize**, *International Mathematics Competition for University Students (IMC)*, Blagoevgrad, Bulgaria
- 2017 **Educational Prize**, *Iran's National Elites Foundation (INEF)*
- 2017 **Bronze Medal**, *18th International Mathematical Olympiad for University Students*, Tehran, Iran
- 2017 **Third Place and Bronze Medal**, *22nd National Scientific Olympiad for University Students in Mathematics*, Tehran, Iran
- 2016 **Silver Medal**, *Contest of Mathematics for University Students*, Seoul, South Korea
- 2016 **Silver Medal**, *Iranian Mathematics Competition for University Students*, Tehran, Iran
- 2014 **Educational Prize**, *Iran's National Elites Foundation (INEF)*
- 2014 **Silver Medal**, *Iranian Mathematics Competition for University Students*, Kerman, Iran

Experiences

- Spring 2026 **Speaker**, *Strong Measurability and Approximations for Non-Separable Metric-Valued Mappings, with Applications in Stochastic Analysis*, Alberta Mathematics Dialogue, McEwen University
- Spring 2026 **Teaching Assistant**, Introduction to Statistics I, University of Calgary
- Spring 2026 **Supervisor**, Undergraduate Thesis, Women Online University of Afghanistan
- Spring 2026 **Instructor**, Discrete Mathematics, Women Online University of Afghanistan
- Winter 2026 **Instructor**, Linear Methods I, Bow Valley College
- Winter 2026 **Instructor**, Introductory Calculus II, Bow Valley College
- Winter 2026 **Teaching Assistant**, Time Series Analysis, University of Calgary
- Winter 2026 **Teaching Assistant**, Introduction to Statistics II, University of Calgary
- Fall 2025 **Course Developer**, Introduction to Statistics II, Bow Valley College
- Fall 2025 **Teaching Assistant**, Calculus for Engineers and Scientists, University of Calgary
- Fall 2025 **Teaching Assistant**, University Calculus II, University of Calgary
- Fall 2025 **Speaker**, *Sevian Triangles, Sevian Simplexes, and Their Areas and Volumes*, Graduate Seminar Talks, University of Calgary
- Fall 2025 **Speaker**, *An interesting problem in analysis?*, Graduate Seminar Talks, University of Calgary
- Spring 2025 **Speaker**, *Viscosity Solutions for Stochastic Variational Inequalities*, Alberta Mathematics Dialogue, University of Calgary
- Spring 2025 **Teaching Assistant**, Introduction to Probability, University of Calgary
- Winter 2025 **Teaching Assistant**, Analysis II, University of Calgary
- Fall 2024 **Teaching Assistant**, Differential Equations for Engineers and Scientists, University of Calgary
- Fall 2024 **Teaching Assistant**, Linear Methods II, University of Calgary
- Summer 2024 **Teaching Assistant**, Discrete Mathematics, University of Calgary
- Summer 2024 **Workshop Member**, New Trends and Challenges in Stochastic Differential Games, The Banff International Research Station
- Summer 2024 **Project Member**, Complilologic Project, Math to Power Industry Program
- Winter 2024 **Teaching Assistant**, Discrete Mathematics, University of Calgary
- Winter 2024 **Teaching Assistant**, University Calculus I, University of Calgary
- Fall 2023 **Teaching Assistant**, Linear Methods II, University of Calgary

- Fall 2023 **Teaching Assistant**, Discrete Mathematics, University of Calgary
- Spring 2023 **Teaching Assistant**, Linear Methods II, University of Calgary
- Winter 2023 **Teaching Assistant**, Complex Analysis, University of Calgary
- 2022 **Grader**, Canadian Open Mathematics Challenge (COMC)
- Fall 2022 **Teaching Assistant**, Discrete Mathematics, University of Calgary
- Fall 2022 **Teaching Assistant**, Linear Methods, University of Calgary
- 2019 **Grader**, 43rd Iranian Mathematics Competition, Competitions' Committee of Iranian Mathematical Society
- 2019 **Teacher**, Preparational classes for undergraduate students for International Mathematics Competition (IMC), Department of Mathematical Sciences, Sharif University of Technology
- 2019 **Teacher**, Preparational classes for Iranian Mathematics Competition for University Students, Department of Mathematical Sciences, Ferdowsi University of Mashhad
- 2018 **Teacher**, Preparational classes for International Mathematical Tournament of Towns, Math House
- 2017 **Teaching Assistant**, Complex Analysis, Ferdowsi University of Mashhad
- 2017 **Teaching Assistant**, Theoretical Foundations of Problem Solving, Ferdowsi University of Mashhad
- 2017 **Assistant Team Leader**, Ferdowsi University of Mashhad's team for 41st Iranian Mathematics Competition
- 2016 **Teaching Assistant**, Linear Algebra, Ferdowsi University of Mashhad
- 2016 **Teaching Assistant**, Foundations of Analysis, Ferdowsi University of Mashhad
- 2016 **Teacher**, Preparational classes for National Mathematical Olympiad, Math House

Skills

○ Programming

Python, MATLAB, JavaScript, HTML, CSS, BASH

○ Languages

Persian (Native), English (Fluent), Turkish (Fluent), French (Basic)
